## SCRIPTURE.

PSALM 47:1-9.

O clap your hands, all ye people;  
shout unto God with the voice of triumph.

For the Lord most high is terrible;  
he is a great King over all the earth.

He shall subdue the people under us,  
and the nations under our feet.

He shall choose our inheritance  
for us, the excellency of Jacob whom  
he loved. Selah.

God is gone up with a shout, the  
Lord with the sound of a trumpet.

Sing praises to God, sing praises;  
sing praises unto our King, sing praises.

For God is the King of all the earth;  
sing ye praises with understanding.

God reigneth over the heathen; God  
sitteth upon the throne of his holiness.

The princes of the people are gathered  
together, even the people of  
the God of Abraham; for the shields  
of the earth belong unto God; he is  
greatly exalted.

## BOY SCOUTS IN WAR.

Play Important Role — Capture Spies  
— Will Harvest Crops.

New York, Aug. 8.—Dispatches  
from abroad mentioning activity on  
the part of Boy Scouts in connection  
with military operations in the Eu-  
ropean conflict have led to the belief  
here that the scouts will play an im-  
portant role in the general war, al-  
though their activity will be incident-  
al rather than a part of the cam-  
paign. Already dispatches have told  
of the capture by Boy Scouts of spies  
in Belgium, their guarding of British  
bridges and the plans of scouts to as-  
sist in harvesting crops.

There are about 350,000 Boy Scouts  
in Europe, divided as follows:  
Great Britain 200,000; Germany,  
50,000; France 8,000; Austria Hun-  
gary 15,000; Russian Poland 8,000;  
Serbia 4,000; Scandinavia 30,000;  
scattered 35,000. England was the  
pioneer in the movement.

Essentially an organization working  
for peace, there is nothing in its  
teaching that would discourage the  
taking up of arms in self defense.  
Ludvigsdale, an authority on the  
movement, said Thursday in this con-  
nection:

"It should be remembered that,  
though we are against war, we are  
not therefore against self defense. It  
follows that every patriotic scout,  
should necessarily arise, would respond  
to his country's call for such aid as  
he might be able to render."

By their training in signal work  
and drills, Mr. Dale thought older  
members of the boy scouts would be  
of great value to military officers as  
attendants, orderlies and messengers.  
Whatever part they might play in  
such roles, however, would be in their  
individual capacities and not as boy  
scouts, but simply as young men  
well trained for the duties required  
of them.

## The Case of L. L. Cantelou.

The case of L. L. Cantelou, Claren-  
don, Texas, is similar to that of many  
others who have used Chamberlain's  
Colic, Cholera and Diarrhoea Remedy.  
He says, "After trying a doctor for  
several months, and using different  
kinds of medicine for my wife who  
had been troubled with severe bowel  
complaint for several months, I bought  
a 25c bottle of Chamberlain's Colic,  
Cholera and Diarrhoea Remedy. Af-  
ter using the second bottle she was  
entirely cured." For sale by all deal-  
ers.
